

Dear Parents and Guardians,

I would like to take this opportunity to introduce myself, my name is Kimberly Jacobson. I am the new School Counselor for Heights Elementary School. As a school counselor, my primary responsibilities are to promote the academic, personal, and social development of all students. I also will be implementing intervention and prevention services as needed for our students. I look forward to offering support to the students, staff, families, and community. I will be meeting with students individually and in small groups, conducting classroom lessons, meeting with parents, collaborating with teachers and staff, and consulting with community organizations to benefit and meet the needs of all students and families.

Any student can request to meet with me or a teacher, parent, or administrator can refer them. I encourage you to reach out if you have concerns regarding your child. If you would like for me to meet with your child please do not hesitate to contact me. I am here to help students achieve their personal, social, and academic goals, as well as provide support for the parents and teachers.

Please visit my website to learn more about me and what our school counseling department can offer. I look forward to getting to know the students, parents, teachers, and community!!!

Warm Regards,

Kimberly Jacobson, M.Ed, NCC, SAC
